On Ski Safari in Vorarlberg

With a professional guide on tour, off-piste and on the slopes: The adventurous ski safaris promise to experience the holiday regions of Vorarlberg in a varied way and in one tour, even cross-border.

With the cable car up to the mountain, with skis to the summit and with a long descent back to the valley, where another transport service is waiting to take the ski enthusiasts to the next starting point in a pleasurable break - that is the special thing about a **ski safari**. True to this principle, however, every ski safari is unique and offers different experiences and unforgettable moments. In Vorarlberg guests can experience the Montafon, the Kleinwalsertal with the Bregenzerwald as well as for children the ski resort Golm in Montafon on a ski safari. In addition, Ski Ride Vorarlberg offers a one-week tour on skis through the whole of Vorarlberg.

Madrisa Circuit in Montafon

To Switzerland and back: that is what guests can experience with the border-crossing, technically undemanding and guided day tour. Starting point of the **Madrisa Circuit** ski tour is the valley station of Gargellen cableway in Montafon. During the seven-hour tour, skiers and snowboarders will marvel at stunning natural scenery and enjoy fantastic descents on varied slopes. In between, participants take public transportation to Klosters in Switzerland, from where they cross the Schlappiner Joch and ski back to Gargellen in Montafon.

Ski Safari in and around Kleinwalsertal

The **Ski Safari Kleinwalsertal** starts with a ride with the Ifenbahn cableway to the mountain station. From there, participants delightfully mount to Hahnenköpfle followed by a long descent to Schönenbach in Bregenzerwald. The tour continues by skidoo to Bizau and then by taxi to Hochkrumbach, where guests can relax and enjoy the winter landscape of Bregenzerwald. The last ascent will take guests to the Widdersteinhütte hut in Warth am Arlberg, before descending to Gemsteltal or Bäruntal in Kleinwalsertal.

Ski Safari for Children at Golm in Montafon

A fun-filled, action-packed day awaits ski kids at the **ski safari in the ski resort Golm**. The adventurous tour accompanied by a trained ski instructor from ski school Golm starts with a downhill run in deep powder, followed by exciting storytelling and riddle-solving. Afterwards the kids can revive in a break with barbecue in the wintery forest. Fortified by a hearty bite, the party returns to the point of departure. To be able to participate, kids must have mastered the parallel turn.
